

The Abriachan Forest is owned and managed by members of the Abriachan Forest Trust.

Our aims are to:

- enhance the biodiversity and scenic value of the area
- ensure continued public access
- extend the reforestation with mixed native woodland
- promote forest-based education
- involve all our community and create local jobs

It is through the efforts of volunteers that we can offer such a range of recreational opportunities. We need to raise funds to continue developing the woodland and to maintain our existing facilities. You can help us to do this by becoming a Friend of the Abriachan Forest Trust. Just fill in the form or contact us via our website: www.abriachan.org.uk

If you would like to help us in a practical way, we would greatly appreciate you joining one of our community work days. These are posted on the website and AFT notice board.
